## What's New in Rotary

Meadow Ridge Rotary Club is pleased to announce that we are now offering a Corporate Membership program for our club. We often hear from busy managers, leaders and company owners that they "can not commit the time to attend weekly meetings". The Corporate Membership provides for a team approach to club participation! For more information please e mail info@meadowridgerotary and a member of our membership group will make sure your questions are answered. Our club is active in the Pitt Meadows and Maple Ridge schools with our 4 Way Test in Schools, Starfish Backpack and Dictionary 4 Life programs. We also support a wide variety of locally run festivals and programs behind the scenes. Internationally, Rotary has worked for many years in an effort to end Polio as part of our commitment to Fight Disease. Rotary has five

additional main causes including: Promoting Peace, Providing Clean Water, Saving Mothers and Children, Supporting Education, and Growing Local Economies. More details can be found at <https://www.rotary.org> If your company is looking to align itself with a world renowned international organization whose motto is "Service Above Self" your opportunity has arrived. Would like to find out more?
