Speaker: **Ineke Boekhorst**: Alaska Cruise

Ineke told us about her and **Peter**'s trip to Alaska from Vancouver to Juneau aboard the Holland America Line Cruise Ship *Koningsdam*, (En: *Kingsdam*) complete with pictures.

The *Koningsdam* is one of the newest HAL ships, and it was its first trip to Alaska. The *Koningsdam* has 12 decks that are publicly accessible by passengers and crew (carrying just over 2,000 passengers).

They left Saturday, May 7 from Vancouver, and returned Sat. morning May 14 again in Vancouver.

Glacier Bay

They stopped at Juneau,

Ketchikan,

Skagway,

and had great food, a balcony off their suite, and a good all round trip –

Vancouver to Vancouver.
