Program: Tara Brandolini – Sunwood Retirement Home

About Tara (as told by herself):

My name is **Tara Brandolini**, I am the **Lifestyle Consultant at Sunwood Retirement Home** by Venvi and a proud Mother of my 15-year-old Son Liam. Sunwood is a beautiful vibrant independent community located steps away from walking trails, shopping, and restaurants.

I have been in the retirement business for over 10 years and coming from a background as a healthcare worker and various

roles in the sales industry. I love what I do and have a passion for seniors helping them with their journey in the next steps of their life. I am a wealth of knowledge with many recourses to guide in the decision-making process.

Sunwood Retirement Home is located at 12241 - 224 Street, Maple Ridge, Tara told us about.

Retirement living in a facility like Sunwood, for seniors 65 years and older, and the facilities they offer. They have studio suites and one- and two-bedroom units, which are all independent. There are 69 units in the Development, and provide continental breakfast, lunch and dinner to all residents. They also offer various in-house activities, including such things as exercise classes, bingo, bridge, cribbage, walking club, yoga, and scrabble groups.

Happy and Sad Dollars and Club Announcements included:

Brenda was very happy about our successful St. Patrick's Day party and social at the home of **Patrick and Stephanie O'Brien**, and for the great entertainment provided by **Peyton Callison** and her friend who demonstrated their "unbelievable" talent and skills with their special tap-dancing routines.

Lynda Lawrence reminded us that tickets to our Winefest are now on sale and may be purchased online or from club members. This year our goal is to sell 300 tickets. We are each reminded to buy a ticket for ourselves and be sure to ask our friends and associates to come to this fun event.
