## LAST WEEKS MEETING

The meeting began with some announcements

The Italian Serata will be held Monday May 30<sup>th</sup> at La Trattoria. Tickets are \$120. per person with a \$100 tax receipt issued. There is seating for 60. Funds raised go toward the hospital expansion.

Marco advised that applications are being taken for the Group Study Exchange. Applicants must be ages 25 – 40 and non Rotarian.

Mary advised that the Wine Zest will be held on May 28<sup>th</sup> at the ACT Theatre.

Gordy advised that we've received \$25,000. in government funding for the Meth movie project. He advised the Meth Watch Campaign has been launched.

The check was official handed over at the Centennial Dinner.

Dave Rempel spoke on behalf of the Esteem Team program. He said the program is in its 8<sup>th</sup> year, and they've spoken to 3,600 kids in 16 schools. Established sports celebrities attend the schools as motivational speakers to talk to students about setting goals, planning, peer pressure. The program has been supported by both the Haney and Meadow Ridge clubs.

Ron Wallsmith introduced three Grade 9 girls, Anna, Candice and Jacqueline, who described their experience when their school had had a visit by the Esteem Team the previous year.

Chris Wilson, International Wrestler, spoke of how the program was originally started for substance abuse prevention, and how it's become a role model program. He said the message is to find something you have a passion for, set your goals, and overcome the challenges to achieve your goals. This is a national preventative program targeted at Grades 4 – 8. The national non-profit association was established four years ago. They have an association with a registered charity – the National Sport Trust Fund – which provides tax receipts to donors.

Chris advised that Rotarian participation is an important component of the

program. The question was raised about the programs' \$800,000. budget. Chris advised that it's a labour intensive program operating in three provinces.

Ron Wallsmith said that they are very appreciative of the club providing funds to bring the speakers to the schools.

## CENTENNIAL DINNER

As the world of Rotary celebrated 100 years, the MeadowRidge and Haney Rotary Clubs honoured seven people with Paul Harris Fellowships Wednesday night in recognition of their outstanding community service.

### Recipients included:

- Lola Chapman, founder of a federally recognized youth justice program that keeps first-time offenders from re-offending;
- Dr. Frank Ervin, a key fundraiser who got Ridge Meadows Hospital's CT scanner upgraded;
- Sherman Olson, former national chair of the Trans Canada Trail project;

The Paul Harris Fellowship is named for the man who founded Rotary with three business associates in Chicago on Feb. 23, 1905.

The fellowship was founded in his honour in 1957 to express appreciation for a contribution to the humanitarian and educational programs of the Rotary Foundation.

Rotarians also designate a Paul Harris Fellow to recognize another person whose life demonstrates a shared purpose with the objectives and mission of the Rotary Foundation to build world understanding and peace and recognize individuals who exemplify the Rotary motto - Service above Self.
