

The following is from the Hilton Haider's Celebration of Life:

### What will Matter

What will matter is not what you bought,  
but what you built  
not what you got,  
but what you gave.

What will matter is not your success,  
But your significance  
Not what you learned,  
But what you taught.

What will matter is every act of integrity, compassion,  
Courage or sacrifice,  
that enriched, empowered or encouraged others  
to emulate your example

What will matter is not your competence,  
but your character  
not how many people you knew,  
but how many will feel a lasting loss when you are gone.

What will matter is not your memories,  
but the memories that live in those who love you  
how long you will be remembered  
by whom and for what

Living a live that matters  
doesn't happen by accident  
but by CHOICE  
Someday it will come to an end,  
no more sunrises, sunsets  
no more minutes, hours or days

Choose to live a live that MATTERS

## WE WILL MISS THEM!

It was with deep sadness that we were informed of the passing of two members of our Extended Rotary Family.

Our fellow Rotarian Hilton Haider passed away at the age of 55 in his residence on January 1, 2007 following a long battle with cancer. He is survived by his wife Lillian, daughter Rachelle, son Mike and brother Ervin.

Hilton joined the RCMP on April 8, 1970, and was stationed in Richmond, Powell River, Port McNeill, Coquitlam, Division Headquarters, Pitt Meadows, Whistler and Ridge Meadows, where he was Staff Sergeant.

He joined the Meadow Ridge Rotary on January 4, 2005. We will miss his big smile.

A week later we learned of the passing of Rotarian Gord Robson's father. Even though most of us didn't know him, he was a member of our Extended Rotary Family.

**Lester James Robson** was born in Didsbury, Alberta December 8, 1918, and passed away peacefully January 8th 2007 at Ridge Meadows Hospital at the age of 88. Predeceased by his first wife Catherine "Kit", nee Mewhort. Survived by his wife Marina, "Perk"; sister Belle; son Gordon (Mary); daughter Mary (Monte) Cordoni, eleven grandchildren and seven great grandchildren.

Les was raised on a farm in the Sumas Prairie with his six older brothers and sisters. He moved to Maple Ridge in 1947 with his bride "Kit", an RN he met at the Chilliwack Hospital. He and Kit raised their family and for 33 years he managed the Haney B&K Feedstore which later became Buckerfield's until his retirement.

“Les was a perfect gentleman, an interested listener, and a wealth of information”

## LAST WEEKS MEETING

Our guests were Jennifer Dawkins (GSE Team), Exchange Student Ana and Robert's mate Cailin Green.

The “Cannot Be Fined Button” went to the successful bidder Lynda Lawrence for \$10.<sup>00</sup> for the month of Jan.

Marco Terwiel presented a cheque to Jennifer Dawson of GSE Team to assist with expenses on her upcoming trip to Italy in May.

Executive Meeting to be held at Home Restaurant on January 17<sup>th</sup> at noon.

Fireside Meeting to be held at Meadow Gardens Golf Course at 6:00 p.m. on January 30<sup>th</sup>. No regular lunch that day. The cost will be \$17.<sup>50</sup> per person.

Dennis Boyd will be our new Assistant District Governor for 2007/08.

Robert Campbell presented a Wonderful Who's Who, along with a props!

His parents met in Montreal and moved to Edmonton in 1945. Robert was born in 1955 and has three older brothers (Gordon, William and Douglas).

Robert's father worked in construction and built their home on a riverbank and the house burned down a week later in 20 minutes and they lost everything.

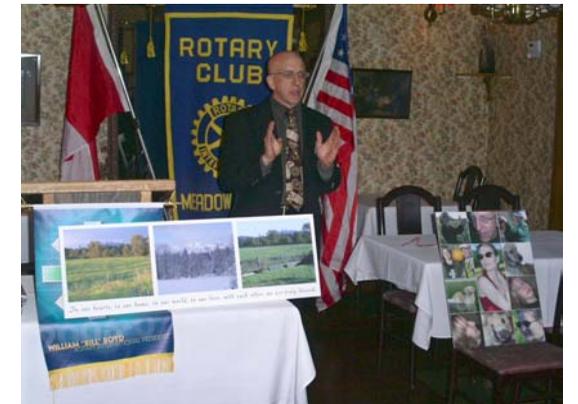

Robert claims he had long hair at one point, however no pictures to prove it, so we have to take his word for it!

He graduated in 1973 from The Good Shepherd High School in Edmonton and has held many occupations. His many talents range from manufacturing tent trailers, to construction, assembling boats, working in a bakery, selling oriental carpets, playing in rock band, computer consultant, jewellery business and concert promoter working with many celebrities. One of his claims to fame is playing pool and drinking whiskey till 5:00 a.m. and then meeting Winona Judd. Our Robert has had quite an exciting life!

Robert moved to Kaslo in '75 and then to the Lower Mainland in '86 and he purchased his first computer in 89. He got involved in the Jazz and Blues Festival and worked for the ACT Theatre for 1½ year but now is involved in Computer Consulting. Robert presented pictures of his very handsome son Jeffrey, born in 1992. He currently resides with his beautiful partner Cailin and their two dogs, Duke and Daisy and he has invited us to drop by anytime.

However, Robert's love has always been in the music industry and if any of you have had the pleasure of hearing Robert and Cailin – you can understand why! Thank you Robert for an awesome Who's Who.

I especially enjoyed your final words - Love & Happiness for year to come!
