## SEPTEMBER IS NEW GENERATIONS MONTH

**Today:** Dr. Lee Harman, MD - Polio Eradication

**Next Week:** David Stark - Rotary at Work

Happy Birthday	Happy Anniversary	Invocation
Sep. 3: Dave & Sharon Rempel Sep. 4: Doris & Ted Gagel	Sep. 2: Debbie & Fraser MacRae	Sep. 1: Clint Callison Sep. 8: Laura Cherrille

## CALENDAR OF CLUB EVENTS:

Date	Time	Event	Venue
Sep. 23		Rotary Duck Race Cheque Presentation	Meadow Gardens Golf Club
Oct. 27	noon	District Governor Bill Robson's official visit	

### FRISBEE GOLF, SUNDAY AUGUST 23 AT DAVE REMPEL'S PLACE

Last Sunday we had a terrific Frisbee Golf Tournament at Dave Rempel's place. This was a joint event of the Haney, Port Moody and Meadow Ridge Clubs. Not only did we try to beat the other clubs, but we also strengthened the fellowship between the three Clubs, what is more important.

**Many thanks to our hosts Dave and Sharon Rempel.**

In the process of having fun, we cleared \$503 for Polio Eradication.

In the mean time here are some pictures, and all of them can be seen on [our website](#).

### LAST WEEK'S MEETING

#### Rotary Moment

President **Mark Forster** had a Rotary Moment when he visited the Haney Club and was told by past President Ken Holland that the singing of the National Anthem always sounds better when we show up at their Club. (This must have given Mark the courage to lead us in the singing of O' Canada.)

#### Cheque Presentation

Community Service Committee Chair **Adrienne Dale** presented a cheque in the amount of \$500 to **Dave Rempel** on behalf of the **Caribbean Festival Society**.

David (who said that he will take advantage of every opportunity to talk) said that the festival was a great success notwithstanding certain problems of getting used to the new venue at the Albion Fairgrounds. David was on the Festival committee and worked hard to make the event a success.

## Happy and Sad

First on his feet (with another opportunity to talk) was **Dave Rempel**, who was particularly happy that the Frisbee Golf event (which was held on Sunday, August 23 at his bird sanctuary) involved a number of children, who thoroughly enjoyed the event. Three clubs participated (Meadow Ridge, Haney, and Port Moody), and Dave thanked all those who attended, with a particular tribute to our club President who cooked the pulled pork that everyone enjoyed. \$457 was raised for Polio Plus. Dave is looking forward to the exchange trip to Russia in which he and Ineke Boekhorst will be participating (providing that his Russian visa arrives on time).

**Walter Volpatti** was sad to point out that only 21 of our 34 members had so far paid their annual dues.

**Eric Mollema**, together with his wife **Urma**, **Jim Michals** and **Brian Bekar** attended the District's Golf Fun event.

**Ineke** was happy that her Russian visa has arrived, thanked everyone that participated in the garage sale which raised \$503 for International Service Projects, and said that a good time was had by all at the Frisbee golf event.

*Highest score .....Lowest score*

["**Ineke's** team, named the "Frolicking Frisbees", which included Sharon Kyle and Laurie Anderson, should have won the tournament because it got the highest score, but apparently that is not the way it works! - It must have been the magic sun glasses and Hawaiian leis. "

**Ken Holland** was definitely the best long-distance disc thrower, while our own **Mark Forster** managed to throw a Frisbee right over the roof of David's house even though he aimed in the opposite direction.]

**Mark Vosper** stated that the Hospice Store was pleased to receive the left over articles from our club's garage sale.

**Karen Duffield** was happy to be back at the club (and we were all happy to see her back). Fortunately Paul's diagnosis was not cancer, although it was pulmonary fibrosis. Karen turned her name into **Karen Hendrickson**. She performed this trick by getting married in July.

## Family Matters

Ineke said that **Lindsay Hendy** is back from Fort McMurray, and his work may be affected by the slowdown in the oil industry. While down here, he can be found at his old stomping grounds at MNP. Lindsay also stated that his mother is now in long-term care and suffering from dementia which prevents her from verbally communicating with others.

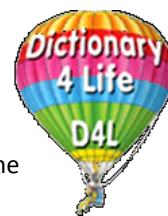

## Speaker - Dictionary 4 Life Project

Our guest speaker was **Russ McMurchie**, who is the **District 5050's new Literacy Chair**.

Russ joined the Rotary Club of Port Coquitlam Centennial in February 2006, and has the distinction of having 100% attendance since joining Rotary. Despite only retiring as an Insurance Broker a year ago, he has been a very active member. For his first six years, he was the Weekly Bulletin Editor, held various Chairs, then Vice President, the 2010 President, and is now back being the Vice President this year for another run at the top of the job in 2016/2017.

Russ's topic was the **Dictionary 4 Life Project**. These colourful and illustrated dictionaries started out as a project from a Rotary Club in England which continues to cover a portion of the book's cost.

Russ demonstrated that he likes the English sense of humour by reading to us a number of advertisements that appeared in British publications, such as:

"Used wedding dress for sale; worn only once - BY MISTAKE!" and

"For Sale: Complete set of the Encyclopedia Britannica - no longer needed as I got married and my wife knows everything".

The Port Coquitlam Club is distributing these excellent dictionaries to grade 5 students in both the public and private schools in their municipality. They have received excellent response from the teachers and the students who receive them. The books cost \$10 each and must be ordered through the Port Coquitlam Club by November 15, 2015 in order to receive the books for 2016 (they must be ordered through the Port Coquitlam Club as only one order per District will be accepted by the suppliers). Port Coquitlam Club gets a grant from our Rotary District to help defray the cost, and is this year looking for a sponsor as well.

## 50/50

Our President tried to hit on the Queen but all he got was the 8 of Clubs. (No wonder he threw the Frisbee right over the roof of David's house - he missed his Mark because he couldn't see the Forster for the trees).

## Punography

According to Russ McMurchie's Dictionary 4Life, a thesaurus is a dinosaur with an extensive vocabulary.

The book I got at Bob S.'s funeral service was about anti-gravity. I can't put it down.

At Dave's Golf event on Sunday, I wondered why the frisbee was getting bigger - then it hit me.
