Last Weeks' Meeting

We had a great tour /presentation & lunch at Pelton's Reforestation, unfortunately there were only approx. 20 members attending, but those who were there, enjoyed a very entertaining and interesting presentation by Norm Pelton and 2 of his management staff on the

operation of his multi-million dollar tree growing business, which has been in operation for 31yrs. right here in Maple Ridge, employs approx. 120 local people over the busy summer months (mainly youths & students) and delivers approx. 24 million! seedlings every year. Thanks so much, Norm for your hospitality.
