## Last Weeks' Meeting

Our Guest Speaker was Ron Jacobson (nice to see him, former member of our club) speaking for the Maple Ridge Community Foundation, in particular the Millennium Project. The National initiative of the Community Foundations across Canada is getting "something lasting" started in each individual community. The M.R. Foundation launched their Campaign Dec. 13, 1999, the Gifts to the Community Project. Since then several individual projects have been initiated by different groups or individuals, these "gifts can be time, labour or money. For example a local scout group has built and placed wooden duck-boxes and will maintain these boxes, a neighbourhood group donated "keeping their neighbourhood clean" as their gift. Ron suggested service clubs, such as our own Rotary Club

**ROTARY 2000:  
ACT WITH CONSISTENCY,  
CREDIBILITY, CONTINUITY**

would be perfect for creating a special project. A good presentation and certainly some food for thought !

After the presentation, Dot Ralston volunteered to chair a new to be formed committee, to present a suitable project. Liz (filling in for Davidd), would take Dot's offer to the executive mtg.
