Last Weeks' Meeting

A short presentation by Laurie Anderson on legal matters, in particular "Power of Attorney" and the importance of having this in place for use when needed, when we might find ourselves or one of our family members in a situation where we are in-capacitated of making important decisions on financial or other matters. Rules and regulations are changing right now and if you're interested, please see Laurie for more details. We also had 2 members of the Esteem Team visiting again, since their presentations are presently taking place in our Schools. If you are interested in attending one of the presentations, please call Dave Rempel or Deddy Geese for times / locations (keep in mind only few presentations remaining for this year!!)

WineZest report (preliminary)

Last Saturday, May 6th, our 5th Annual WineZest took place, at the new Senior Centre on 224th Street.

For whatever reason, we didn't sell as many tickets as we would have liked (I believe we only received money for approx. 120 tickets!!!), but the event was very pleasant and relaxed and everybody that was there, seemed to be really enjoying themselves. Very good choice of wines, also the beer seemed to be very popular, food was good as usual, decorations and set-up great, good variety in Silent Auction items. A Club event that has all the potential of being very successful, but just didn't get the attendance it deserves. Bottomline, after all bills are paid, I believe we will still clear approx. \$ 5000.00, which is not bad looking at the attendance. Please, make sure to bring in outstanding ticket-money ASAP, so we can finish up accounting for this event. A GREAT BIG THANK YOU, to all volunteers, members and family that came out and helped with set-up and break-down and all other tasks, that had to be done. Also to all members who so generously donated their

time, services and products to the Silent Auction and Raffle, we had over 100 items!! this year, proceeds of the auction + raffle approx. \$5000 which was a bit disappointing, but with the low attendance unavoidable. As you can see, this is where we made our money, so THANKS again for your donations. Next week we will have a more complete report, as all ticket money will (hopefully) be collected.
