Dr. Julianne Conry addressed the club on the personal, community, social and psychological cost of Fetal Alcohol Syndrome (FAS). The effects and cost of FAS is a lifelong burden to the patient, caregivers and community. From birth through all developmental stages, the FAS victim is dependent on support from family, health care professionals, educational institutions and in many cases the justice system. Impaired functioning includes judgement, memory, and speech. FAS victims need lifelong help managing lifeskills. This means FAS affects everyone in the community all the time.

Here is a challenge to the Meadow Ridge Rotary Club:

Author an article for the Rotarian before June 2002. Can we design a contest? What do we do that is wonderful and that we would like to share with other Rotarians?

2 X 4 = 2 MINUTES OF ROTARY INFORMATION 4 TIMES PER MONTH

This was last week's 2 X 4 : Four Avenues of Service

The term "Four Avenues of Service" is frequently used in Rotary literature and information. The "Avenues" refer to the four elements of the Object of Rotary: Club Service, Vocational Service, Community Service and International Service. Although the Avenues of Service are not found in any formal part of the constitutional documents of Rotary, the concept has been accepted as a means to describe the primary areas of Rotary activity.

- "Club Service" involves all of the activities necessary for Rotarians to perform to make their club function successfully.
- "Vocational Service" is a description of the opportunity each Rotarian has to represent the dignity and utility of one's vocation to the other members of the club.
- "Community Service" pertains to those activities that Rotarians undertake to improve the quality of life in their community. It frequently involves assistance to youth, the aged, handicapped and others who look to Rotary as a source of hope for a better life.
- The Fourth Avenue, "International Service," describes the many programs and activities that Rotarians undertake to advance international understanding, goodwill and peace. International Service projects are designed to meet humanitarian needs of people in many lands.

When a Rotarian understands and travels down the "Four Avenues of Service," the Object of Rotary takes on even greater meaning.

CLUB MEMBER PROFILE – GUESS WHO IS THIS BABY?

I was born in Creston, BC quite a few years ago. Being a good catholic boy, I attended St. Frances De Sales, St. Thomas Moore and then Notre Dame for my education. I am the proud father of 2 terrific sons, ages 22 and 24 and have a wonderful wife, age ? (We won't go there).

My first job was as bridgeman for BC Rail. This was when I was thinner and more agile. I spent my tender years hanging from bridges like a monkey - repairing their structures. This lasted 4 years until my 2 brothers and I decided to pursue a less dangerous occupation. We decided playing with dynamite; would be fun. It wasn't! We purchased Pacific Blasting Ltd. And through many years of working 14 hour days, we built this company into a profitable and viable company.

My next move in work experience was to purchase a Marks Work Wearhouse franchise in Maple Ridge, expanding to Chilliwack over the following 3 years and building the structures to house them. Retail is less stressful on this old body and I now have time to play golf, tennis and enjoy our cabin at Pitt Lake.

Who am I?

Mark's Work Wearhouse, Maple Ridge will donate to the MeadowRidge Rotary Club 10% of the purchase price of any of the following items when a Rotary Logo is embroidered.

Kelly Sports Vests	\$39.99	Oversize \$44.99	Coal Harbour Golf Sh.		
H.Hacking Vests	\$49.99	Oversize \$54.99	Without pocket	\$29.99	Oversize \$31.99
Stormtech Jackets	\$79.99	Oversize \$84.99	With pocket	\$32.99	Oversize \$34.99

The RI Wheel (\$7.50) is in one or two colours with underneath (if desired) "MeadowRidge Rotary Club"
At a later date we are planning to show some examples of above mentioned items. Talk to Ineke!
