## LAST WEEKS' MEETING

The meeting was held at Liz Attarmigarian's home and prepared by Jack A. It was a delicious meal and comfortable venue. The President and members of the club wish to extend our thanks to Liz & Jack for being such gracious hosts.

**SPORTS BANQUET - Posters & Sponsorships:** 2 local heroes are being considered for this year's banquet, Scott Robinson (BC Lions) and Catherine Warner (U2 Soccer Team). The MR/PM Times are still working with us in the production of the posters. We are currently looking for additional sponsorships in regards to the posters. The cost to have your name and logo on the new posters will be \$200. These monies are used against the cost of producing the posters. We are also looking for more event sponsors, we need approx \$15,000 to defray the total cost of the event, then all monies raised would be used for donations. Brian Burke has confirmed his attendance again this year and will be receiving a Paul Harris award (it's a surprise) from the club for his continued support of the Sports Banquet. McEachie will be MC'ing again this year. Tickets sales - approx 120 tickets are committed (about 1/2) For \$1,000 you can purchase a table for you and 7 friends and a sports celeb and local sports person. Silent Auction, Peter will circulate a list at next meeting to let everyone know who brought in which items so they can try to get the same companies to donate this year. Lisa is doing her usual excellent job on the advertising.

**COMMUNITY SVCS** - Interest was expressed in a hands-on project. Laurie will look into what is needed in the community. Other suggestions for new projects were - Scout Hall \$8000. To furnish a room in their new hall; Salvation Army to assist them in setting up a Youth shelter; Astro turf field with aid of matching gov't grants.

**MEMBERSHIP** - Oct 9<sup>th</sup> is our membership drive meeting. Bring an interested party to the meeting to be held at La Trattoria and the club will buy their lunch. Please read handouts given by Rick to ensure all the proper procedures are followed when proposing a new member.

**INTERNATIONAL** - Ron Goldfinch the district rep for youth exchange gave a talk re hosting a foreign exchange student. Currently there are 19 kids in the district. Some points made were:

We must have a committee and a councillor (who is NOT a host family)

Approx cost to club \$5,000 / year

If student travels outside district then must inform Ron

Student may not travel by their self or with other students

Student must adapt to house rules

We need 4 host families

Children of Rotarians CAN participate in this program

**OTHER** - We will be participating in the UNICEF Halloween box program - All \$'s raised in our boxes will be applied directly to Polio eradication

Programs Oct 2 - Corrine Meldrum (Y/E student) at Quality Inn

Oct 9 - Membership drive at La Trattoria

## Diane Kirkland – our newest member

Diane Kirkland was inducted into our Club in September 2001. Diane moved to British Columbia from Ottawa in 1982 and has lived in the Maple Ridge Pitt Meadows area since 1983. She has held management positions with two telecommunications firms, and more recently in the baking industry.

Diane recently opened her own Edward Jones office in Pitt Meadows and enjoys helping more conservative investors meet their financial goals. Diane and her husband, Gordon, have been married for twenty-eight years. Gordon is a syndicated newspaper columnist with an offbeat sense of humour. They have two sons, Mike and Brad.

Welcome to MeadowRidge Rotary Club. We sincerely hope you will enjoy your membership with us as well as participate in our many activities and initiatives.

### **New Generations:**

RYLA – this sounds like a riddle, but it really stands for Rotary Youth Leadership Awards. This is another Rotary youth initiative and is an intensive training programme for community youth leaders. Young people chosen for their leadership potential attend an all-expenses-paid seminar, camp or workshop to discuss leadership skills and to learn those skills through practice.

Every RYLA includes the following topics:

- Fundamentals of leadership
- Ethics of positive leadership
- Importance of communication skills in effective leadership
- Problem-solving and conflict management
- Rotary's purpose and service to the community
- Building confidence and self-esteem
- Elements of community and global citizenship

Thousands of young people participate in this programme annually. The impact spreads and the outcome often is the formation of Rotaract and Interact clubs. This is an excellent way to introduce young people to Rotary and our Club participates in this forum each year.
