What is asked of you: Bring your desire to support *Service Above Self*.Get involved in supporting current programs. Recommend and support a program that you feel passionate about.Get involved and be willing to participate with Club membership and activities. Have fun. (No grouches.)

Financial considerations: In addition to annual dues of $150, our Club sponsors 2 social events and fund raisers each year, typical cost for each is $75 per person. The weekly meetings host raffles and humorous banter with attending members in order to raise $3 - $5 from each person. The Yacht Club provides a very healthy and delicious lunch buffet prior to the meeting for $14. Lunch is optional. For your financial purposes, you would typically spend $150 dues plus two times $75 for social/fund raisers plus 40 weeks times $4 for raffle/banter, equals $460. Lunch would be an additional 40 weeks times $14, equals $560.

We hope you will consider joining the Club and becoming part of *Service Above Self* in Oak Harbor.
