At the heart of Rotary International's mission lies the commitment to "provide service to others." Our Rotary Foundation places a strong emphasis on offering quality education, and our motto, "Service Above Self," encapsulates why we are proud Rotarians. We exist to support the needs of our local community and beyond.

Our key initiatives continue to be projects that can be used by the entire community. In the short-term, the club has committed \$50,000 toward a bathroom at Janicki Fields near our beloved Pat's Playground as well as \$50,000 toward building a pickleball court. Proceeds from our auction will bolster this crucial enhancement as we also look at additional project requests in our community. Additionally, we continue our tradition of providing dictionaries to every third-grade student in Sedro-Woolley and Concrete, as well as raising funds for scholarships to empower students pursuing post-high school educational opportunities.

We sincerely hope you will be a part of our endeavor to make this auction the most successful in our club's history spanning over half a century. By supporting us, you contribute to the betterment of our community's values, and you will be joined by like-minded individuals in this gratifying experience. The auction will take place on May 10th, 2024, at the Heritage Flight Museum, located at 15053 Crosswind Dr. Burlington, WA 98233. Festivities will commence at 5:30 p.m., featuring live and silent auctions, raffles, games, delectable fare, and libations. We gratefully accept all forms of donations, including gift certificates. For donation submissions or any other inquiries, including offers of assistance, please visit our online portal at www.SedroWoolleyRotaryAuction.com.

Thank you for considering our invitation. We eagerly anticipate your presence at this meaningful event.

Warm regards,

Ruth Richardson

CELEBRATING OUR COMMUNITY PROJECTS!

Life is better by the campfire.

The club's Hammer Heritage Square Project provided much needed bathrooms to the downtown area for events enjoyed by the entire community.

The Amphitheatre Project allows the Club to host a summer concert series free to Sedro-Woolley residents.

Every third grader in the Sedro-Woolley and Concrete School Districts receive free dictionaries.

Partnering with McIntyre Hall allowed the SW Rotary to make a significant financial contribution to our community.

Along with other area service organizations, the SW Rotary agreed to become a major donor towards construction of the new YMCA.

Money generated through our auction and the Great Sedro-Woolley Footrace allowed SW Rotary to contribute over \$40,000 towards scholarships for area graduates in 2023.

Moving Tesarik Ball Fields from its original site, along with the construction of new bleachers, dugouts, fencing and play field refurbishing, has made it the premier field for Little League.

The Club's most recent project that honors our late member Pat Janicki has seen extensive use by families. The club has committed \$50,000 to help build a bathroom near the play structures.
