WHO WE ARE:

The Stanwood Camano Rotary Club is a group of committed community members that believe that through providing service above self we are all better off. Rotary is a worldwide organization of more than 1.2 million business, professional, and community leaders. Members of Rotary clubs, known as Rotarians, provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world.

There are over 32,000 Rotary clubs in more than 200 countries and geographical areas. Clubs are nonpolitical, nonreligious, and open to all cultures, races, and creeds. As signified by the motto Service Above Self, Rotary's main objective is service — in the community, in the workplace, and throughout the world.

THE NEED:

Our philosophy carries forward into action by providing tens of thousands of dollars in grants to local organizations and global causes, including local scholarship programs. The club supports international service for projects such as the elimination of polio and the wheelchair foundation, the Mexican orphanage and creating drinking water in Haiti. Locally the club supports programs for teen mothers, civic causes, a student of the month program, provides scholarships for area youth in college and is leading the charge to provide every child in our community from birth to age five with a new book each month.

In order to sustain these programs, we fundraise throughout the year and hold one large event- this year our Oktoberfest at Camano Center will help us to continue our good work.
