Rotary Four-Way Test

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

FUNDING REQUEST POLICIES

The Stanwood/Camano Island Rotary Club is interested in providing support for numerous worthy projects at the local, state, national and international levels. To provide the most appropriate use of those funds, it is necessary for applicants to complete the attached form and to qualify for funding through the review process.

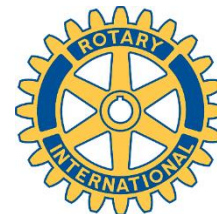

The Club's review process begins with our Grant Application Form. The Grant Committee reviews application each quarter assessing each in relationship with the Club's goals. Decisions will be made based on the information you provide. While a member of this committee may call you for additional information, it is in your best interest to provide complete information at the time of application.

As with all funding organizations, our resources are limited. Thus, there are some guidelines that are well to keep in mind when considering whether to apply to the Stanwood/Camano Rotary for consideration.

There are certain exclusions that are exercised. The exclusions include but are not restricted to the following:

- Personal travel/expenses to attend an event or to undertake a form of study is not supported. The exception to this policy is Rotary sponsored student exchange programs. We are more oriented toward projects such as building facilities for needy persons or populations; providing clothing for underprivileged individuals or families; etc.
- Narrowly confined political or religious activity participation does not fall under the purview of this organization. For e.g. we cannot support a person's travel to a political rally or religious gathering. The Rotary Club and Rotary International are non-denominational entities that, as an organization, cannot and does not identify with a particular sect, religion or orientation.
- We cannot respond to requests for debt reduction or debt service expenses.
- Retroactive funding is not appropriate for our funding procedures. Our funding must be in advance of a project or activity rather than after the activity has occurred should financial support may be needed to cover over spent budgets.
- We do not sponsor political campaigns and will not contribute to campaign coffers.

It is recommended that a discussion with one of the members of the Stanwood/Camano Island Rotary Club be initiated before commencing the application process. The member can give some guidance on the feasibility of the proposal and the likelihood that the club can respond favorably to the request.
