SIGNS SIGNS AND MORE SIGNS

The Sheriff decided to take a short walk back into his youth and the early years of rock n' roll. For example, he mentioned the song "Hey Jude" by the Beatles. It started life as 'Hey Jules' to comfort John Lennon's son during his parents' divorce but was changed by McCartney to "Jude" after being inspired by the character "Jud" in the musical Oklahoma. This led to questions about Eric Burdon, Peter and Gordon and Dire Straits which resulted in a fattening purse that made the Sheriff smile.
