SIGNS SIGNS EVERYWHERE THERE'S SIGNS

Sheriff – The Sheriff this week was John Mullock who dove into the realm of science to wow and amaze the club members. Oh yeah, he also took their money.

Theme for Rotary Year 2022-2023 -

Foundation Moment – What are Rotary Peace Centers?

Teaching peace is no different than any other skill. It can be cultivated with the right practice, passion, and guidance.

The seven Peace Centers – located in Bangkok, Thailand, Durham and Chapel Hill, North Carolina, USA, Bradford, England, Tokyo, Japan, Brisbane Australia, Kampala, Uganda, and Uppsala, Sweden – guide peace fellows to become catalysts of peace. Through academic training, practice, and global networking opportunities the Rotary Peace Fellowship leads to fulfilling careers that involve building peace in their everyday lives.

- 93% of working alumni have a job connected to peace development.
- 90% of alumni have opportunities to connect & collaborate with Rotary networks and partners.
- \$188 million has been contributed to the program.

Learn more about Peace Fellows and the Rotary Peace Centers here: <https://lnkd.in/eN7TPeEp>.

Easter Sales – volunteers are being sought to staff a sales table for Easter Lights in a Bottle and peace poles during the week before Easter.

From Jack Degruhy a worthwhile read....

"You can only find out what you actually believe (rather than what you think you believe) by watching how you act. You simply don't know what you believe, before that. You are too complex to understand yourself." ~ Jordan B. Peterson

Lockie Bracken along with Rita Miller (teacher) and twenty students at Chute Lake Elementary have been cleaning the beds and making room for planting. They are also looking at adding additional garden boxes.
