Foundation Moment –

What can Your \$100 Contribution to The Rotary Foundation Do?

Your **\$100 contribution** to The Rotary Foundation can help provide textbooks for one elementary school in Zambia, provide a hearing aid for a deaf child in Pakistan, buy de-worming tablets for 112 children in the Philippines, pay for cataract operations for three blind people in India, or provide 230 blankets for the elderly in the winter months of Korea.

Will you commit today to donating \$100 or more per year to The Rotary Foundation and start making a difference in people's lives?

Beacon of Hope – work is going on with the site planning, engineering and other organizational items required with the City of Kelowna staff.

GUEST SPEAKER

Jock Tyre

This evening's guest speaker was Jock Tyre, the General Manager of the Kelowna Curling Club, a position he has held since 1992.

Curling has been part of the Kelowna area for over 100 years, starting on Widdup's and Bankhead Ponds, and in Fintry at the turn of the century. The Club incorporated in 1942 and was located on Water Street beside City Hall in 1951. In 1978 the 'new' building was located on Recreation Avenue, in a mutual agreement between the City of Kelowna and the Kelowna Curling Club society. The Club has a rich history of hosting events including the '68 Brier, '86 Pioneer World Ladies, '89 Scott Tournament of Hearts, '99 Canadian Juniors, 2002 World Juniors.

It was an interesting presentation about their activities and future plans. I invite you to watch it on our ZOOM video.
