## LAST WEEK'S MEETING

Not sure of the status of this item as I was away last week.

## SIGNS SIGNS EVERYWHERE THERE'S SIGNS

Do women ever sit back and think "my man sure does know a lot, maybe I should just be quiet and listen to him"

Sheriff John was away last meeting celebrating his 74<sup>th</sup> birthday with his family in Chilliwack. He did however turn over his Sheriff notes to Brian Street to use to satisfy his fellow Rotarians need to pay fines.

## ROTARY THEME – 2023-2024

**Always make sure  
SOMEONE in the  
relationship has  
good credit. That's  
why it's called  
SIGNIFICANT other.  
Sign/if/I/can't.**

And once you've done that, why not post a story thanking all of your volunteers during National Volunteer Week... a great way to keep your volunteers engaged.

**Karis Pollinator's Garden** – still not warm yet and so nothing physically done yet.

**Pollinator Garden** – the City has sent Lockie Bracken a Memorandum of Understanding (MOU) in regards to constructing the pollinator garden.

I know my fellow Rotarians are always looking for a chance to show up and by sheer chance this showed up in my email

A message from **Celeste Geisbauer**.

Happy National Volunteer Week! We love celebrating volunteers from across Canada for their incredibly important role in strengthening communities.

We know there will be A LOT of volunteers actively looking for opportunities this week on Do Some Good, so NOW is the time for you to post volunteer opportunities available at your organization. What a great way to access a large pool of skilled and passionate volunteers who can help your cause!

And don't forget about the value of posting virtual positions (e.g. creating a fundraiser poster), as these can be filled by talented volunteers ALL across Canada!

Just head to the Positions & Events page in your Management Area to get started. It takes just a few minutes to post a position and this week is the prime time to do it.
