ROTARY PROJECTS IN A BOTTLE NEWS

Well we are on a roll as they say. Going forward we are going to be going in a summer theme where the bottles will be decorated for patios and of course our light kits which are a huge seller.

As for bottles, we need to stop collecting them for the moment. However, we are looking for small Christmas decorations so ask your friends and family if they have some as at the end of August we will go into full production for the coming Christmas season.

We have two Venues in May. May 22nd and May 25th. KGH May 22nd and a Garage Sale at Len's complex on the 25th. We are good for volunteers at Len's but need some signups for May 22nd

Sincerely
Glenna

Ron did send me some pictures from his travels on the Easter weekend. It was a beautiful day for a drive. Thanks. Ron!

Bowling Fundraiser – Carola has organized another evening of 5-pin bowling at the Capri Lanes on Saturday, June 1st. We will start with dinner first then bowl a regular game, take a thirty-minute break and then bowl a fun game. Jack and Rusty are organizing the prizes and any profits will be split between the Kelowna Women's Shelter and JoeAnna's House.

Wild Festival for Youth, June 13th - we have been approached again to supply the lunch for this event. Brian is the coordinator and will be looking for volunteers for this event.

District Governor Changeover Function. July 5th – Jack talked about the July 5th District 5060 Changeover and how important it is for our club to be present.

To help reduce costs Jack suggested that we cancel the last meeting in June and the first meeting in July to balance the cost. This motion was passed at the next regular meeting.

JOINT MEETING WITH RC KELOWNA OGOPOGO

The students

Here is a brief report from President Peter of what happened that evening. He also provided the photographs. A man of many talents is our President.

“There were 15 students who spend a week in Kelowna, nine from Canada and six students from Spain, Scotland, Brasil, Australia and the USA. These students were home hosted by members of the Ogopogo Club.

Before the meeting Cindy Anderson had the foreign students introduce themselves and sing a bit of their national anthem before we all sang our own national anthem. After that we had our wonderful buffet.

When dinner was done three groups of five students presented their business case of what they would think would be a viable business in Kelowna.

All the students received certificates and the students gave a gift to the host families.

Overall it was a very enjoyable and interesting meeting.”

Thanks Peter for providing an excellent summary of the evening. Wish I had been in town to attend this event.
