## LAST WEEK'S MEETING

Camera was present but recordings are being stored somewhere.

## SIGNS SIGNS EVERYWHERE THERE'S SIGNS

Sheriff John had returned to his duties as Sheriff and while out of practice still managed to harvest money from the members present.

**ROTARY THEME – 2023-2024**

The City will move equipment in late April to prepare the sites and about May 20<sup>th</sup> or so Rotarians and volunteers can start construction.

Meanwhile Rusty Bracken and Peter Spek went to look a wonderful pollinator build behind the Laurel Packinghouse downtown.

**Karis Pollinator's Garden** – both the concrete and metal forms have been examined and the metal form seems to best match our needs. The head of Karis has also approached Central Okanagan Trust for a possible bursary.

**Pollinator Garden** – Parks has suggested two sites for work this year.

This was placed in front of the pollinator garden for the bees to put their eggs in.

Sarsons Beach Park Pollinator Garden area and Cameron Park at 2345 Richter Street. Both building are similar.

A possible inspiration for future pollinator gardens we build?

past District 5060 Governor. Please consider making a donation this week to Rotary's efforts or bring your donation to the District Conference in Leavenworth May 18-21, where we will unveil a new program in the fight to end Polio. Look for the PolioPlus table at the Village Expo outside the Festhalle.

**World Immunization Week -** April 24-April 30 is World Immunization Week. A great way to recognize the profound effect vaccines have had on modern disease prevention is to help Rotary International in its efforts to eradicate wild Poliovirus. This 30-plus-year PolioPlus initiative has its roots in District 5060, as one of its architects was past RI President Edward Cadman, who a

## HUMOUR

What airlines think  
humans look like:

I am a person who wants  
to do a lot of things  
trapped in a body  
that doesn't.

Sometimes, I convince  
myself I can do more than I  
actually can.

That never, ever, ends well.
