LAST WEEK'S MEETING

Work continues getting a camera setup for the meeting space.

SIGNS SIGNS EVERYWHERE THERE'S SIGNS

I'm still tired
from yesterday's
tired.

Today isn't
looking so good,

and I've already
used up
tomorrow's tired.

The next time your
wife gets angry, drape
a towel over her
shoulders (like a cape)
and say, "now you're
SUPER ANGRY!"

Maybe she'll laugh.

Maybe you'll die.

Sheriff John happily collected his loot after telling a few jokes. Rotarians can be so easy to satisfy.

ROTARY THEME – 2023-2024

Karis Pollinator's Garden – at the last meeting we were introduced to another possibility by a guest. Essentially it involves using a preformed concrete fitting that it used in sewer construction. Rusty Bracken will investigate this suggestion as he knows the owners of the company that makes these fittings.

Bottle Sales – the most recent bottle sale occurred March 31st – April 2nd outside the Independent Store in the Capris Centre. While the final tally isn't in it looks like we made about five hundred dollars

Pollinator Garden – the City has sent Lockie Bracken a Memorandum of Understanding (MOU) in regards to constructing the pollinator garden. The MOU will be examined at the next meeting.
