WEEK'S ZOOM MEETING

I have been away from Rotary since March 11th because of surgery on March 16th. I will need to recover for another four weeks and so am limited to how long I can sit down. This will affect the time I have to prepare newsletters.

ZOOM meeting on March 10rd.

Denys Storozhuk was our guest speaker that night and his presentation outlined some of the issues the Ukraine is going through and some ways we could assist.

I have no information about meetings on March 17th or March 24th

I did attend the meeting on March 31st

SIGNS SIGNS EVERYWHERE THERE'S SIGNS

You'd think that the part of the brain that used to remember phone numbers would take over remembering passwords!
But Noooo!!!

Those who think that the COVID-19 vaccine will modify their DNA should see it as an opportunity.

Ever look at someone and think,
"Why has no one hit you with a shovel yet?"

New District Governor Designate - the District nominating committee has selected a new District Governor Designate for this year, Tom Tocherman of the Rotary Club of Lake Chelan.

Tom has served as club President both in our district and in both a previous district (5030) and with his current club in Lake Chelan. He has served as Assistant Governor and is currently the chair for the Rotary Action Group for Endangered species.

Sheriff – Sheriff this week was Glenna. She did a fine job; it was a pleasure watching the five-dollar bills flutter down onto the table.

Foundation Moment – This is a simple and effective practice to keep our fellow Rotarians informed and educated about our Rotary Foundation.

Rotary Voices – A Rotaractor’s Story Leaving Ukraine

As Rotaract representative Iryna Bushmina was in the car enroute to Vienna from her home country of Ukraine, she had the idea to mobilize [ERIC - Rotaract Europe](#).

Now her team of about 150 workers are working in four directions to provide aid to cities within Ukraine by:

- Distributing truthful information about the situation in Ukraine.
- Finding accommodations and hosts for Ukrainians in flight.
- Sending humanitarian aid.
- Securing financial support for those who need it.

Bushmina shares her experience here <https://on.rotary.org/3JjFRiW>

We are working through Riipen and other connections with universities to get students who are studying at various levels to help with community projects for free. They love the idea of Hour4Our and are really becoming much more aware of the power of water as we figure out the financial model of raising money for Rotary to be used on projects directed to building Positive Peace. Monies raised by Hour4 our can be given to Capri Rotary club with oversight by both on a project at the Capri Rotary club would like to do.

We are building a one-page overview of the concept that can be given to some of the 84,000 charities that exist in Canada and who might align with the idea of building peace. We would of course also put that towards the District funding process.

If you would like to help with this idea in some way, I would love your participation and your ideas as we move towards working on building ourselves out as a Peace Building club.

The gardens are calling.
