## HUMOUR

### Sex after surgery

A recent article in the Daily Post reported that a man, Dave Harper, has sued St Paul's Hospital, saying that after his wife had surgery there, she lost all interest in sex.

A hospital spokesman replied:

"Mrs Harper was admitted for cataract surgery. All we did was correct her eyesight."

**I miss the days when we were terrified of Romaine Lettuce.**

## GORD AND ANNE 70<sup>TH</sup> WEDDING ANNIVERSARY

Hi all

[May 10](#) is Gordon and Anne's 70th anniversary. Because we are all apart at this time, I am asking friends to send a card, an email, or to make a phone call to them. They both would love to hear from their family and friends at this special time.

They would especially love to hear memories you have to share with them as well as updates on what you've been doing. Know that even though they haven't been able to see each other for 4-5 weeks they still talk many times throughout the day and are keeping as well as they can during this time of separation and uncertainty.

## NEXT WEEK'S MEETING

Thursday April 30, 2020 at 7 pm we will have our next Zoom Meeting.
