## SIGNS SIGNS EVERYWHERE THERE'S SIGNS

John was the Sheriff this evening. It was a gentle session, just the latest urge to change names on streets and other structures because of past misdeeds. Who would have thought that someone would suggest changing the name of our province because the Columbia part of our name was in honour of the Columbia River which in term may have been named after Christopher Columbus?

## **Foundation - WHAT IS A ROTARY FOUNDATION SUSTAINING MEMBER?**

## GUEST SPEAKER

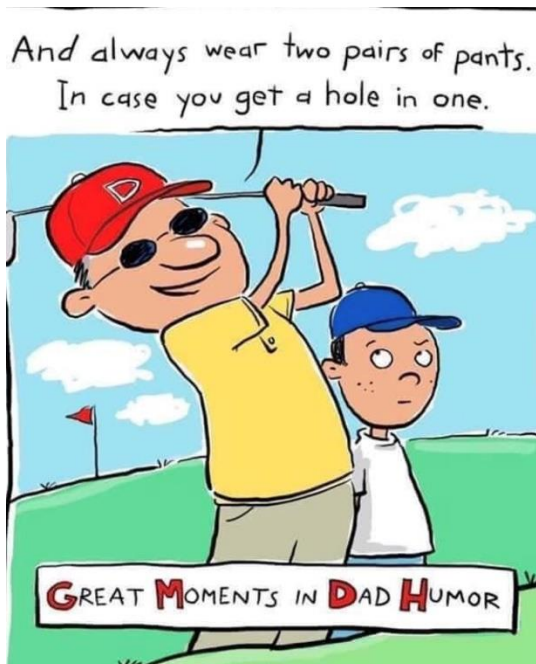

*District Governor Karl Ruether and Denise

This evening's Guests were the District Governor Karl Ruether and his wife Denise. It was a very casual visit and an evening of Rotary comradery.

After being introduced by AG Bill Hawkins, The DG spoke on the upcoming District Conference in Leavenworth then discussed our District needs such as more members in each club and the formation of new clubs. One interesting suggestion was the idea of a District Wide Project such as building pollinator gardens. At the end he showed a wonderful video inviting all to the District Conference.

Please watch the ZOOM recording to see his entire presentation.
