**SIGNS SIGNS EVERYWHERE
THERE'S SIGNS**

The Sheriff did his job except for some minor booing and the Treasurer, who had just returned from a holiday, smiled as money accumulated in the tray of sins.

District Governor's Visit – District Governor Marjolein Lloyd (RC Kelowna Sunrise) will be visiting with our club on August 3rd.

Change of Meeting – the members voted to change our meetings to Monday evening so that it would be easier for all members to attend the meetings.

The first Monday meeting will occur on August 7th.

Annual Dues – are due now and the Treasurer has requested they be paid in cash or cheque to avoid bank charges.

Thank You Notes – Two thank you notes were received from students at Kelowna Secondary School. I will be converting them to PDF format and inserting them in this newsletter.

Pollinator Fundraiser – Carola has been hard at work knitting bees and flowers to be sold as fundraiser items. Cost for either a bee or flower is \$15. They will make excellent gifts for small children or those that are young at heart for birthdays and Christmas.

Dear Corala Spet,

I am writing to you to express my gratitude for you selecting me as a recipient of the Kelowna Capri Award. An award that allows for my dreams of becoming a doctor to be a possible outcome. An award that will go towards funding my Bachelors degree in Biomedical Sciences at the University of Saskatchewan. Your support has alleviated tremendous amounts of stress from my shoulders. Between moving halfway across the country, leaving family behind, finding housing, and determining how I am funding everything. I have been consumed with worry due to the myriad of changes to come. And your generosity has made it so I am not as scared to face these challenges. Thank you from the bottom of my heart for your kindness. A kindness I will not soon forget.

Sincerely, Tavia Halladeen

Thank
You!

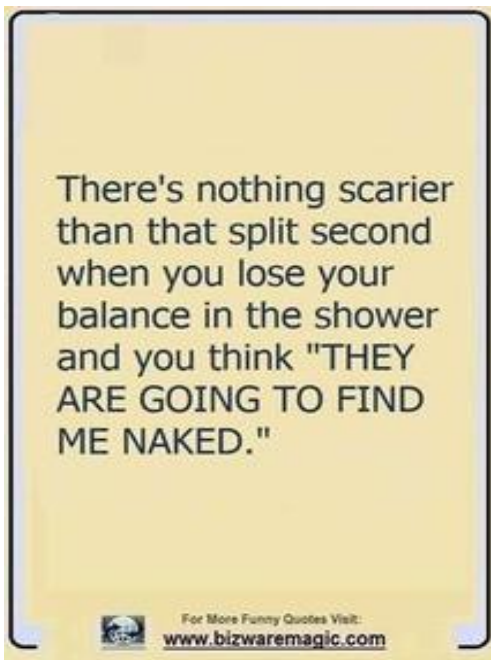

Thank you so much Carola Spek & the Rotary Club of Kelowna for this ~~bursarie!~~ bursary! Education is very important to me so it means a lot when members of our community support students in their post-secondary education plans. I want to thank you for your aid in my education as I hope to leave post-secondary with the least debt possible.

Sincerely, Sophie Gramiak.
