SIGNS SIGNS EVERYWHERE THERE'S SIGNS

Irish Craic and Humour

**I don't like to think
before I speak...**

**I like to be just as
surprised as everyone else
about what I say.**

**I'M AT THE AGE WHERE MY
MIND STILL THINKS I'M 29,
MY SENSE OF HUMOR
SUGGESTS I'M 12, WHILE MY
BODY MOSTLY KEEPS ASKING
IF I'M SURE I'M NOT DEAD
YET.**

**ANYONE ELSE REACH THIS
POINT IN THEIR LIFE...?**

Foundation Moment - **What is a Paul Harris Fellow?**

Established in 1957, Paul Harris Fellow recognition is given to individuals who contribute, or who have contributions made in their name, of \$1,000 to the Annual Fund, PolioPlus, or an approved Foundation grant. Recognition consists of a certificate and pin.

Paul Harris Fellows can also be given on behalf of someone through Foundation Recognition points or through a combination of points and outright donations. Since the creation of the Paul Harris Fellow, over 1.6 million people have become Paul Harris Fellows, including notable figures such as U.S. President Jimmy Carter, Russian President Boris Yeltsin, and polio vaccine developer Jonas Salk.

Use the Club Recognition Summary to see your club's Paul Harris Fellows.

Are you ready to become a Paul Harris Fellow and join your fellow Rotarians in financially supporting The Rotary Foundation?

Jack reported that their activities have continued and that they are working with several groups. This includes a cooperation with UBCO and the development of a Global Peace Constitution.

Jack did send me a copy of the presentation they have developed but I did not have time this week to mine it for material for this newsletter. I'll try to do better next week.

World Peace Day – Tuesday, September 21, 2021 – plan are underway to dedicate Adolph Illichmann's bench and plaque for that day.

Ron Becker's Holidays –

Ron and Irene managed to spend a little time at Gardom Lake this month and sent me a few pictures.

A certain duck who made fun of Ron last year came looking for him

The duck trying to hijack or at least get a free ride on the kayak

Ron's new friend trying to do a little sucking up by standing on his hand. Could the cooler and expectations be affecting her behaviour?

THIS WEEK'S REGULAR MEETING

Thursday, August 26, 2021 at 7 pm.

As in the previous year, there will be a social period from 6:45 to 7 pm.

HUMOUR

I had some words with my
wife, and she had some
paragraphs with me.

GUEST SPEAKER

Our guest speaker this week was Kim Lucy who is Director, Business Development at Viking Cruises.

Kim described how Viking is beginning to restart their travel business in a new covid world and the many challenges they have had to face and solve.

It was an interesting presentation and left me interested in leaving the shelter of my house. I was also surprised to how large Viking Cruises is and all the travel venues they offer. I always just thought of them being just river cruises and how now must consider the fact that they travel to seven continents, 5 oceans and some 95 countries.

Take a look at the zoom presentation she made and then drift over to their website to stir your own travel dreams.
