ROTARY PROJECTS IN A BOTTLE NEWS

Both in July and August were very good to Rotary Lights in a Bottle Campaign. We got an order for 10 light kits then it went to 20 light kits to be delivered to the hospital on Sept. 4th so that made up for the slow times that day.

I wanted to show what a crystal decanter looks like with the lights in it. Very sparkly so if any members have decanters they are not using, lights would look amazing.

Our next sale at KGH will be September 18th and we will be looking for volunteers that day.

Hope everyone is enjoying their summer. Thanks to all that help make these months a huge success.

RAMBLING

My apologies for the lateness of this newsletter. I had just started it when my brother and sister came visiting for three days. It was one those choses, family vs. newsletter, and the newsletter came in dead last.

Sheriff Carola used a random selection of local trivia to pick our pocket. I took notes but now can't figure out what they mean. All I can say is that Carola did her duty.
