Christmas Campaign 2020

To our Dear Kettle Bell Ringers,

On behalf of The Salvation Army, we would like to thank you for volunteering your time during our annual **2020 Christmas Campaign**.

This year's Christmas Kettle Campaign was a success - over \$4.5 million was raised provincially and in The Kelowna/Lake country community we raised a **record breaking \$929,000.00**, which will stay right here to help our community members in need. This is possible because of the generous support from community partners like you.

Because of your selfless efforts, we can continue to meet basic and essential human needs and provide compassionate, practical support to individuals and families in our local community. The funds raised will provide food, clothing and other vital programs and supports for those in our community.

With more people than ever living at or below the poverty line, your support is increasingly important to the work we do, helping those in need, 365 days a year. This past year your support has been more significant than you know, with increased need due to the COVID-19 pandemic. And we thank you.

Thank you for Giving Hope Today ... and every day. Wishing you and your loved ones a safe and healthy New Year.

Sincerely,

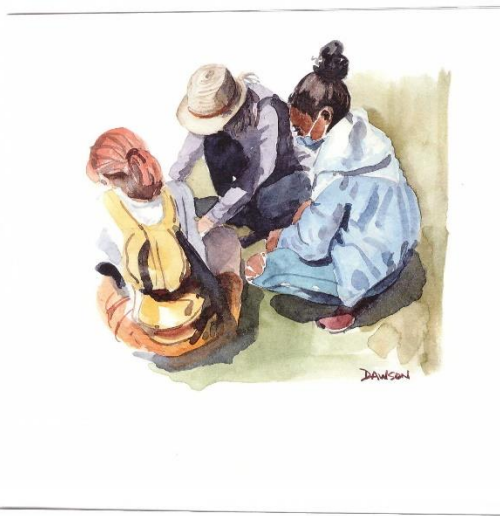

**Angela Stadnyk**

## GUEST SPEAKER

I've returned to Kelowna. It took awhile to find up my house in the smoke then we had a series of visitors. The net effect is that I did not have time to watch and write up the summaries of our speaker presentation. However, I have provided the links to them.
