We are Rotary, and with that comes problem-solving. We focused our efforts on how to bring immediate assistance to frontline health workers.

Calm Down!
Walmart is just asking you to wear a mask. You can still wear your pajamas, and leave your bras and teeth at home.

East Kelowna Hall Project– Bob reported the cupboards, cupboard doors and counters are done. The sink, appliances and flooring is still to be done. The District Grant funds are still not in.

Honourary Membership – At our July 30th meeting it was decided to make Buzz an Honourary Member to our club. Buzz was a member of Rotary for 53 years.

Meeting in Person – this item will be revisited after the September long weekend.

Membership – it seems everyone is having trouble finding and retaining members. Rusty sent me a article he found in a Shriner magazine and I have inserted it for you to read.

District Video Site - The District has a Vimeo Pro subscription with many videos for training and inspiration.

HUMOUR

GUEST SPEAKER

We had two speakers this evening. Tom Illichmann was our first speaker and he spoke on the challenges they faced with keeping the business going. The business and their family managed to survive the main lockdown, but it wasn't easy.

Johann also joined our meeting again despite it being 4 am in Germany. He told us that the Covid numbers keep rising and the German economy is staggering along. Everyone there, like the rest of the world, is waiting for a vaccine to be developed. He cannot come to Canada right now due to government travel restrictions.
