RAMBLING

Wednesday, December 12th is the night of our Rotary Club's Christmas Party. Food and fun with a group of long time friends. The function starts early for one good reason...

So that I can relax and enjoy the event, you are going to get this newsletter early, probably Tuesday afternoon. Enjoy!

MEETING OF DECEMBER 6, 2018

VISITING ROTARIANS – none

GUESTS – Ed Simms (guest of Len)

ATTENDANCE – 100+% (love those makeups)

Sheriff John decided to take a look at some of the mistakes made in writing the English language. Oddities such as:

“never end a sentence on a preposition”. Actually you can, this is a rule from Latin grammar that was applied to English. It's perfectly acceptable to end a sentence with a preposition if the alternative would create confusion or sound unnatural.

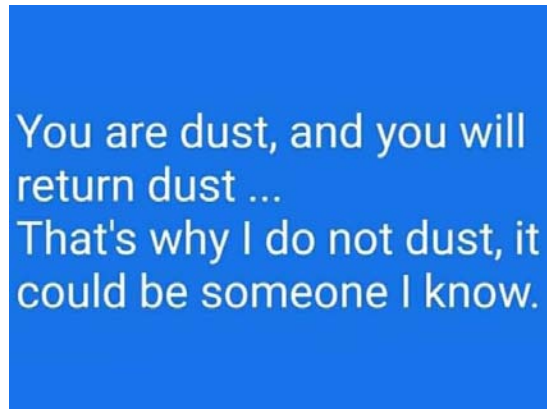

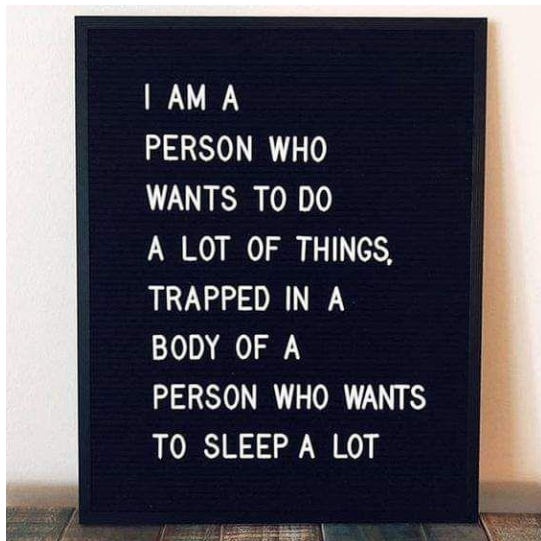

Adjectives actually have an order. When a number of adjectives are used together, the order depends on the function of the adjective. The usual order is:

Quantity, Value/opinion, Size, Temperature, Age, Shape, Colour, Origin, Material

What the adjective expresses	Examples
Quantity	four, ten, a few, several
Value/Opinion	delicious, charming, beautiful
Size	tall, tiny, huge
Temperature	hot, cold
Age	old, young, new, 14-year-old
Shape	square, round
Color	red, purple, green
Origin	Swedish, Victorian, Chinese
Material	glass, silver, wooden

Our members always enjoy having their shortcomings pointed out and rewarded John with their money.

Elections for the 2019-2020 Club Executive will be held at the Annual General Meeting on December 20th. in December. All positions are open so please consider putting yourself forward to serve our club.

Parkinson Senior Centre – Carola has arranged for our club to tour the Parkinson Senior's Centre at 11:30 am Thursday, January 24th. They also offer a low-cost lunch to those attending.

HIPPO ROLLERS – Art made a presentation on “Hippo Rollers” that can hold five buckets of water and can be rolled by a child. Several clubs are buying these to distribute to families in Africa to reduce the effort and time hauling water.

After some discussion the club passed a motion to purchase three of these units at \$150 US each.
