LAST WEEK'S MEETING

No recording of meeting.

SIGNS SIGNS EVERYWHERE THERE'S SIGNS

Sheriff John continued to broaden the trivial knowledge of our members by examining the history of colours.

One interesting fact he divulged was that the colour 'blue' was late arriving on the scene and didn't really show up in the lexicon until after it appeared in art. It was also a little slow in showing up in our collection plate but show up it did.

ROTARY THEME – 2023-2024

More from the Annual General Meeting

Brian generously donated fortune cookies to everyone at the AGM. Just for fun I collected all the abandoned fortunes at the end of the meeting and decided that the assembly would address the fortune of our club for RY 2023-2024. The results were not discouraging:

“Look with favour upon a bold beginning.”

“You will soon make an important decision.”

“Financial opportunity lies ahead.”

“You have natural grace and great consideration of others.”

“You have an excellent capacity for making people feel at home.”

Foundation Moment

Rotary Direct is one of the easiest and most secure ways for our donors to support the Foundation: because contributions are automated. Monthly, quarterly, and annual gift options are available. Members can enroll at the [Rotary Direct page](#), return a completed [Rotary Direct enrollment form](#), or enroll by phone by calling the [international office](#) that serves this area or +1-866-976-8279 if in the U.S.

Pollenator's Garden

Lockie has continued in his efforts to get this initiative off the ground. He has requested funding for the Parks Department and asked other area clubs if they would like to join us in this initiative.

HUMOUR

A thousand words can be generated by just this one picture. This is Tesla's roadside assistance vehicle filling up at the gas pump.

GUEST SPEAKER

We actually have quest speakers for the next two weeks. Our only limiting factor is that we have no access to a large screen to display any presentations they bring.
