## LAST WEEK'S MEETING

No recording of meetings until further notice

## SIGNS SIGNS EVERYWHERE THERE'S SIGNS

**Beware of a new  
Amazon scam.  
My husband  
ordered me  
some expensive  
jewelry, but  
motorcycle parts  
came instead.  
Thankfully they  
fit his bike...**

Sheriff John Mullock looked at some thoughts about life such as "Experience is the thing you have left when everything else is gone" or "One nice thing about egotists: they don't talk about other people." There were other thoughts such as "What is a free gift? Aren't all gifts free?" Once again, the members paid their dues happily when he finally stopped.

## ROTARY THEME – 2023-2024

### Thank You Note

THANK YOU ....

*... for your generosity.  
You are making a difference in  
a young person's future.*

### Pollinator's Garden

Lockie reported that the Parks Department has approved our application for funds, but they did make some changes to our pollinator garden plan which have not been revealed to him yet. He also has received some positive responses of other Rotary clubs in the area to assist with the project but nothing firm yet

## GUEST SPEAKER

*Deborah Klassen, Co-Executive Director of Karis Support Society*

Our guest speaker this evening was Deborah Klassen from the Karis Support Society. I have no samer and stole the following from their website <https://karis-society.org/about/>

Karis Support Society is a non-profit organization that provides recovery-focused programming, counselling and support to vulnerable, at-risk expectant women, women with babies or toddlers, women working towards reunification with their children and single women with no dependents, living in poverty, homelessness or at-risk of homelessness.

Karis participants are women whose negative experiences have led to substance misuse or mental health challenges, which have negatively impacted their lives and they are now actively working on personal recovery.

## OUR MISSION

Karis Support Society contributes to genuine social transformation in the Okanagan Valley by providing a safe home, support through recovery and life skills development for people struggling with life altering additions and mental health conditions. Karis exists within the continuum of charitable organizations that provide social services for vulnerable individuals living in our community and we are committed to providing a safe and trustworthy environment where strength can develop.
