Rotary Foundation Moment–

Do Large Grants Ever Take Place in North America?

Yes! Rotary global grants can have large projects, scholarships and vocational teams all here in the US or in Canada...or in any Rotary region. One of the most amazing aspects of The Rotary Foundation is that there are opportunities for large projects wherever there is need. Criteria must be met, but there have been and will continue to be large-scale projects in “developed” countries. Read about how a Rotary Foundation global grant made a big difference in Detroit, Michigan during the onset of the pandemic.

The international sponsor was in India. You can view the article [here](#).

HUMOUR

GUEST SPEAKER

This week's guest speaker was Rita Miller, a teacher from Chute Lake Elementary School. Rita discussed the success of this year's garden project and their efforts to teach the concepts of peace to young children. It was a very interesting presentation interwoven with Lockie additions and clarifications. Watch the Zoom recording and enjoy a feel-good moment.
