## ROTARY PROJECTS IN A BOTTLE NEWS

*Our first Venue for 2020 and  
Valentines Theme*

We are encouraging everyone to volunteer just to become familiar with how it all works at KGH. A chance to work with the square is important. I am getting my old phone cleaned off and will donate it to Rotary so that we have a phone available to couple with the square.

We do need signups for the shifts on March 11th. Can you email me your chosen times of volunteering?

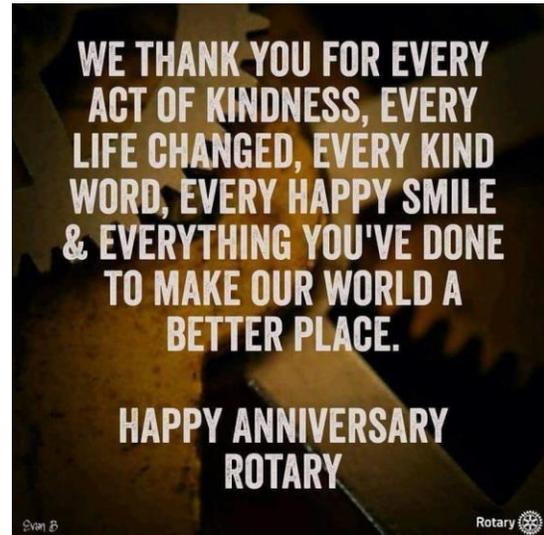

## MEETING OF FEBRUARY 20, 2020

**VISITING ROTARIANS** – none

**GUESTS** – Kieran Chalmers (guest speaker)

---

**ATTENDANCE** – 63%

John was Sheriff tonight. Typically he likes to examine the meaning of words and phrases and tonight wasn't any different as he chose phrases from the southern United States, Some examples are:

### **Aren't you precious?**

Most often said sarcastically in response to someone being offensive.

### **Bless your heart**

A seemingly empathetic phrase usually uttered when the speaker believes the recipient to be sweet but misguided, stupid or when someone needs to grow up and deal with it

### **Cattywampus**

Sideways or crooked.

### **Mash**

"Mash" is used in place of the verb "press," often used when talking about a button. "Can you mash floor five for me?"

### **Might Could**

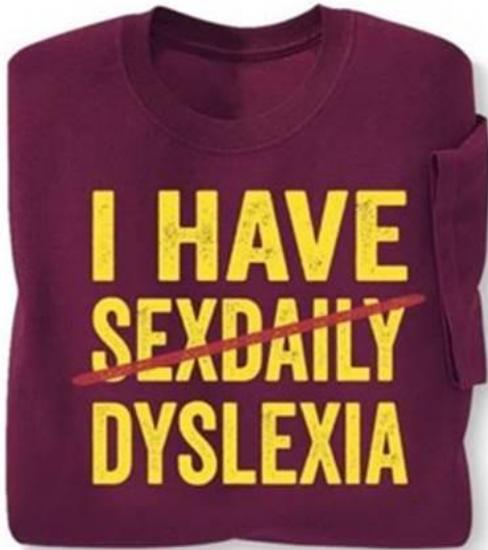

Southerners will pair them when saying they may be willing/able to do something. As in, "I might could go hunting with you this weekend.

**COBBS** – will be holding a Donor Appreciation Event on April 21<sup>st</sup> from 4 to 6 pm at the Hollywood Road Friendship Centre. Carola will be attending and would welcome any other members to go with her.

**Adventures in Tourism** – we received a note from the Ogopogo Club asking if we would consider holding a joint meeting with them on April 2<sup>nd</sup> in support of the Adventures in Tourism program. The club members were receptive of the idea with the understanding that they would need to staff the reception desk that evening as they know who's attending. Brian said he would deal with our members.

**HUMOUR**

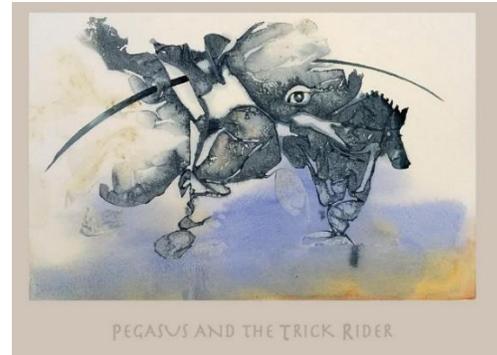

*basketball 2014-2016). I continued playing the sports through high school, as well as discovering new things such as art, volunteering at the art gallery and, more recently at university, experimental sound poetry. In my grade 12 year, I was a finalist for 2 civic awards: Young Male Athlete and Young Male volunteer of the year. At the end of the day, I most enjoy waterskiing and paddle boarding with my family. Currently I am studying French Immersion Biomedical Sciences at the University of Ottawa.*
