Schrodinger's Skip

Sheriff John Mullock decided to start the year with a set of questions about our provincial capital, Victoria. Easy questions such as what was the original name of the city? (*Camosun which was after the native word 'camosack; which meant "rush of water"*); it was renamed briefly in the early 1800s. What was its new name? (*Fort Albert*); then renamed again in 1843 to what? (*Fort Victoria*). When did this finally get shortened to its current name? (*1843*). All in all, a good set of questions that set the room awash with the sound of coins hitting the collection saucers.

Knights of Columbus – will be holding their 46th annual dinner for service clubs on Feb 12th. Brian Street will be attending and would welcome other club members to go with him. Cost is only \$20 for dinner and entertainment.

Lady of the Lake – after some discussion it moved and passed that we financially support a contestant. They will be visiting us in early February.

District Video Site - The District has a Vimeo Pro subscription with many videos for training and inspiration.
