## SIGNS SIGNS EVERYWHERE THERE'S SIGNS

**Peace Action Group** – We are holding a meeting on Wednesday, January 20<sup>th</sup> with Kelowna Aerospace, UBC and the City of Kelowna to facilitate the planning for the Beacon of Hope to stay on target weekly as to designing, building and installing the peace pole by September 21<sup>st</sup>.

Lockie and Jack presented our concept to the Presidents and have been asked by a few of the clubs to do presentations to their members. They also expect to do more talks about becoming peace building clubs and working together towards issues regarding peace in our community.

One of the partners in Rotary today is Mediators Beyond Borders and we need to do a little reading and research on them and help inform the club of who they are and the type of work they're doing and how that may fit into our own community on issues related to peace.

They have a framework which might be useful to many organizations in our town that are mediating issues or learning about ways in which to communicate and mediate in our schools and in our police force in our meetings between organizations.

**East Kelowna Hall** – Nothing new to report.
