SIGNS SIGNS EVERYWHERE THERE'S SIGNS

Peace Action Group – Jack thought that Rotary's Strategic Planning Guide would be helpful to the club as we work to keep our best programs and strive toward becoming a peace building club also. So feel free to download a copy.

Salvation Army – A nice letter from the Salvation Arm about our Christmas Kettle Campaign

A grand Thank You for a grand 2020 Campaign

Well hello there!

2021 has arrived, ready or not, and are we ever ready! This is because of you, and your efforts to keep the community safe, stable, and cared for by ringing those bells and raising funds. This was a record shattering campaign, and throughout all the angst and worry, we as a team did it, and we have you to thank. Please find attached our official letter of thanks, with a castanet link of an interview with our Pastor Darryl Burry!

If ever you wish to have a tour of any of our facilities at any time, please do let us know. I would love to give the grand tour with an in-depth look at what we raise funds for!

Lastly as we come to a close, and enter into a new season, I would just like to share what's next for the Salvation Army. Emergency Disaster Service Training! If you would like continued action, in a safe, trained manner, please see us about E.D.S training. We would love to bring you on board!

Rotary Foundation - What is a Rotary Foundation Global Grant Scholarship?

Established in 1947, the original Ambassadorial Scholarship program was designed to further international understanding and friendly relations among people of different countries. With the launch of the Rotary Grants model, scholarships are now used to fund study by graduate students whose career goals support an area of focus. The funding is the same as a humanitarian global grant with a minimum scholarship amount of US \$30,000. Upon returning home, Rotary Scholars share with Rotarians and others their experiences that led to a greater understanding of their host country, and what career they will go into in order to meet the six areas of focus and spread good will and understanding.

Do you know any students that you would like to nominate for a scholarship?

East Kelowna Hall – Nothing new to report.

THIS WEEK'S MEETING

HUMOUR

**Apparently, it's
only appropriate to
say "Look at you!
You got so big!"
to children.
Adults tend to get
offended.**

It's funny how 8 glasses of
water a day seems impossible,

but 8 glasses of wine can
be done in one meal.

GUEST SPEAKER

Barb and Stuart Penner dropped by to show to our members their presentation on *Honouring Indigenous Peoples (HIP) and the Role Rotary is Playing*.

Their **mission** is to catalyze societal change by inspiring Indigenous & Non-Indigenous relationship building, strengthening community well-being and advancing the next generation of leaders.

Their **vision** is that all Indigenous and Non-Indigenous Peoples work together, interconnected and interdependent, for the benefit of future generations.

I invite everyone to view their presentation on our Zoom recording and to visit their website at

<https://honouringindigenousspeoples.com/>

No information on photographer but I do know, as I get older, just how this wolf feels.

We've been having a soft winter but just so you don't forget, this is the Prairies in 2018.
