SIGNS SIGNS EVERYWHERE THERE'S SIGNS

The Sheriff seemed to be a little off his feed this evening. He was looking at comments about cell phones and got mixed reviews. A couple of his better comments were pretty good though, such as...

The new iPhone is getting thinner but you're not.

Putting your phone away and paying attention to those talking to you? There's an App for that. It's called RESPECT.

Still the members did fill the fines tray just to get him to sit down.

Rotary Theme 2024-25 -

Rotary Music Festival – The contract is being reviewed by a lawyer but on a positive all clubs have identified their contributions. This good news as its time to let the organizers get going.

Rotary Resolution – Rotarian Jack Degruchy reviewed the intent of his resolution and answered all questions from the members. Satisfied, the members voted and the majority approved it being sent to the District Conference for consideration

Lighted Bottle Sales – the Valentine's sales have been cancelled due to a roof leak at the Capri Centre.
