MOVE, ADMINISTRATORS SAY

Going Away – I'm going down to visit my family in the Little Smoke on the coast for a week. They used to be the Big Smoke, but forest fires have moved them into a distant second.

So, no newsletter for next week so be good until I get back.

Annual Dues are Due

Annual Fees are now due. They are:

- \$200 membership fee plus \$6.05 Square fee (3.05%) if you pay this way.
- \$100 spousal fee including \$3.00 Square fee if you pay this way.

Rotary District 5060 Website -

Rotarians need to make a habit of visiting this site on a regular basis.

https://portal.clubrunner.ca/50005

RC Capri Website – The updating of the website is underway. Outdated information has been updated and a section to us being a Peace Builder Club has been added, In contrast, the editor of the newsletter reported that any updates are likely typos.

Kelowna Gospel Mission – In response to the excellent presentation by Carmen Rempel, the Mission's Executive Director, the members of the club voted to donate a \$100 to their cause.

District Governor Visit – with the Covid restrictions being relaxed it is hoped that the District Governor Richard DeRock will be able to make physical visits to clubs north of the border this fall. The suggestion came up that the visits might be "cluster-visits" rather than individual club visits.

THIS WEEK'S REGULAR MEETING

Thursday, July 22, 2021 at 7 pm.

As in the previous year, there will be a social period from 6:45 to 7 pm.

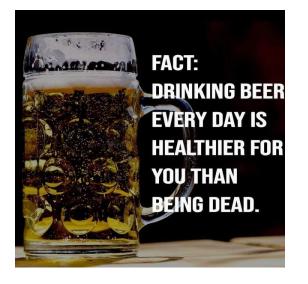

HUMOUR

I'M ON A DIET AND ALMOST CUT MY FINGER OFF CUTTING UP MY SALAD

ALL I COULD THINK WAS, THIS NEVER HAPPENS WITH CUPCAKES

By all means marry. If you get a good wife, you'll be happy. If you get a bad one, you'll become a philosopher. Socrates

GUEST SPEAKER

The presentation is usually the first item on our Zoom recordings, so is easily viewed.

Our guest speaker this week was Dwayne Dergousoff who is the Senior Director, Rail Operations for the Rocky Mountaineer.

Rocky Mountaineer is a Canadian rail-tour company based in Vancouver, BC that operates trains on three rail routes through British Columbia and Alberta. Travel is carried in dome cars, either gold or silver level, and only move during daylight hours. This allows passengers to get the experience of seeing our natural scenery in nice trains that slowdown in scenic locations while you have the chance to develop personal connections with train staff and other passengers.

Dwayne also unveiled their newest route stating in 2021, a trip through Utah and Colorado where you can view a number of well-known parks.
