## SIGNS SIGNS AND MORE SIGNS

What ever happened to a simple protest sign?

This would depresso me!

Nothing beats a demotivational poster!

## GUEST

No guest this evening.

The Sheriff had a day off as Glenna took over his duties. She chose to harken back to her days as a flight attendant to grill the members. How many exits does a commercial passenger aircraft have? How many steps does a flight attendant have to complete if her aircraft is in danger of crashing? 12 is the answer to both. Not quite finished she showed a video from Rotary International on Changing the World. In the end my eyes were glazed and my wallet empty. Good work Glenna.

## Happy / Sad Dollars

Art and Glenna are getting their eyes done. Removal of cataracts I believe.

Jack sold some cherries and donated the funds.

Bob has been released from hospital. He was in because of a bad back.

## Joanna's House Expansion

Joanna's House is going to be expanded at a cost of around 8 million dollars. The city has requested that the local Rotary clubs raise \$250,000 towards this project. Discussions about this item are underway at the Presidents Club.

## Rotary Days Festival

The final accounting has revealed we are about \$1000 short of breaking even. Not to panic though as the Downtown Rotary Club has offered to cover the shortfall.

Planning has begun for next year's event. Major items already identified are a more even distribution of workload between the clubs and an improvement in marketing.

## Potential New Member's Dinner

A motion was raised and passed that any potential new members who attend our meetings will be asked to pay for their own meal. Simply put we are now a small club and have limited funds available.
