**SIGNS SIGNS EVERYWHERE
THERE'S SIGNS**

Check out zoos. For those who are not local, this zoo is a bar.

My dog whenever I come home smelling like another dog

Although the Sheriff is a polite, kind-hearted, gentle soul he chose to look at sarcastic comments tonight. Here is a chosen few he found:

Keep rolling your eyes. Maybe you'll find a brain back there.

People think I go out of my way to piss them off. Trust me, it's not out of my way at all.

I'd agree with you but then we'd both be wrong.

You're giving me the silent treatment. Finally!

If ignorance is bliss, you must be the happiest person on the planet.

Back in my day people used to take photos with other people in them.

Autocorrect still thinks I want to say "duck" at least twelve times a day.

Like good wine, marriage gets better with time – once you learn to put a cork in it.

The members present, although shocked, politely paid their fines confident none of these barbs were directed at them.

INVOCATION

We stay focused on the objectives we have for the world: Peace and tranquility, Freedom from hunger, from oppression, from sickness. The freedom we choose for our own destinies. We reaffirm our commitment to our simple Rotary Four Way Test for all we do and support: Is it the truth? Is it fair to all concerned? Will it build good will and better friendships? Will it be beneficial to all

concerned? We reaffirm our commitment to high ethics in all we do. And we are thankful for all the blessings, opportunities and responsibilities that befall us as Rotarians. We continue in this new Rotary Year with optimism, renewed energy, and a commitment to service to all our fellow Rotarians. Amen

Creative borrowing from an adaption of our invocation by Joseph D. Coons, Bellingham, WA.

Pollinator Highway – a District 5060 Wide Rotary Project to create a mappable Pollinator Garden Highway throughout the District from Clearwater BC to Yakima WA.

Ukraine Project- The first container of medical supplies is on its way by freighter with Art Gillan planning for us to send two additional containers this Rotary year. As I understand it RC North Vancouver contributed \$5000 to the container and has expressed interest in contributing to a second one. Fundraisers are being looked at including a September banquet with the Okanagan Ukrainian Society. Anyone with too much cash in their pockets is also going

to be asked to consider helping us to lighten the load.

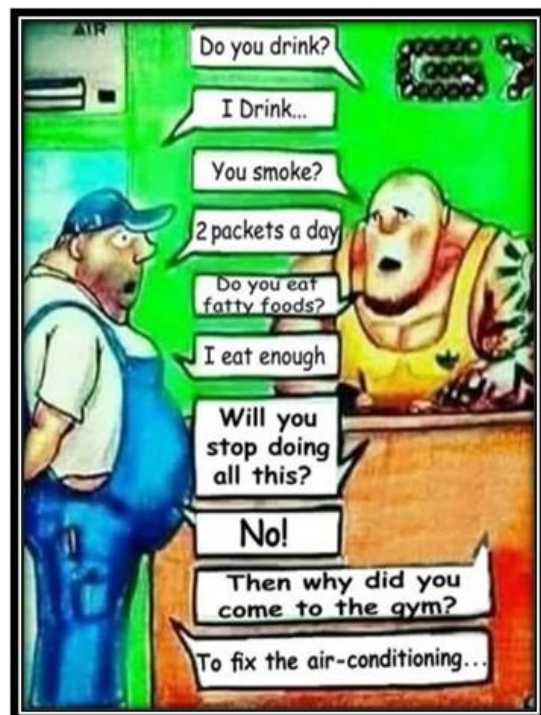

Okanagan Music Festival – appears to have been a success again this year. Brian Street, who has been representing us at board meetings, has requested the number of these meetings be held to four per year.

Annual Dues – are due now. Brian Street has requested payment be made by cash or cheque.

HUMOUR

At a girl's college hostel, dates were permitted only on Saturday nights. One young man showed up on a Tuesday evening, explaining to an older woman in the lobby of the dorm that it was imperative he see a certain young lady immediately. "I want to surprise her. You see, I'm her brother." "Oh, she'll be surprised all right," said the woman. "But think of how surprised I am! I'm her mother!"
