SIGNS SIGNS EVERYWHERE THERE'S SIGNS

The Sheriff returned to duty with a quiz.
Some questions were easy:

Which word do you always spell wrong?
Answer: Wrong

Some were tricky:

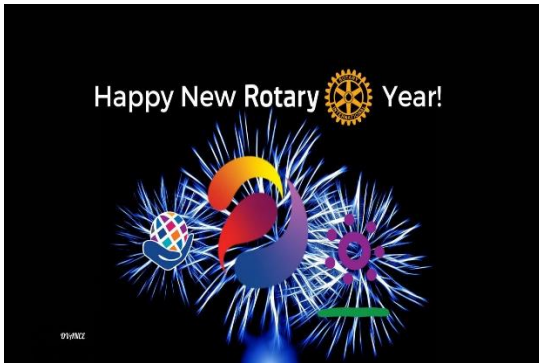

What is the result when you divide 20 by half and subtract 10?
Answer: Half is 0.5. So, $20 / 0.5 - 10 = 40 - 10 = 30$

And some were hard

Who was the last prisoner to be held in the Tower of London? Answer: *Rudolf Hesse*

Feeling no remorse, the Sheriff just smiled at the groans and listened to the happy flutter of polymer bills into the collection tray.

July 6th Meeting – a true fellowship meeting to get the new Rotary year underway. Little business was conducted other than the welcoming of Jack Degruchy as our first Quarter President.

Pollinator Garden – four gardens were planned and have been completed. For those of you with short memories like me they are located at Sarson's Beach Park, Cameron Park, The Royal Canadian Legion and Karis Support shelter. They are Sarson's Beach It's now time to pause during the high heat of summer. Fall isn't a great time to put in a new garden so likely we will be looking for locations in the Spring 2024.
