## SIGNS SIGNS EVERYWHERE THERE'S SIGNS

*Don't you just hate it when gravel gets loose on our roads?*

*Don't miss the message on the lower right of the door*

**Len** – has decided not to renew his membership. The President put forward a motion that this long-time member of our club should be awarded with an Honourary Membership. This motion was passed unanimously.

**Jim Moynes** – Ed Hunt reported that he recently talked to Jim. He is still in Cottonwoods and will probably be there for some time or longer. He really appreciated the call and indicated that if any members of the club wanted to call, he would like to hear from them. He may sound a little confused at times but that's ok. If anyone wants to call, just phone Cottonwoods and they will transfer to a mobile phone and take it to him.

**COBBS Bursary** – We received thank you letters and a picture of the student who received our bursary. They will be inserted into this newsletter.

**East Kelowna Hall Project**– Bob reported that the carpentry bill has been paid. The countertops have been installed but the bill is still outstanding.

**Meeting in Person** – with the recent upturn in the number of Covid cases it was decided to revisit this item after the September long weekend.

**Peace Satellite Club** - have moved their Zoom meetings to Tuesday evening at 7 pm.

**District Video Site** - The District has a Vimeo Pro subscription with many videos for training and inspiration.

Dear Kelowna/Capri  
Rotary Club,

I am deeply honoured to be the 2020 recipient of the Kelowna/Capri Rotary Club bursary. Thank you for your generosity. Your kind contribution is helping to pursue my undergraduate degree in Commerce at the University of British Columbia.

I'm currently graduating from Okanagan Mission Secondary for which I'm the Valedictorian of the 2020 class. This Fall, I will be attending UBC Vancouver, studying at the Sauder School of Business with focus in Business Law. I plan to attend law school with hopes of becoming a corporate lawyer. I've always found the study of law, business and economics very fascinating and the way leadership plays a role in these dealings. I'm excited to join the Rotaract club at UBC along with other clubs. I work to create a culture of inclusivity and inspire others with empathy and kindness. I hold civic responsibility, recently winning the title of "Young Citizen of the Year 2019" from the City of Kelowna, based on my community and school involvement.

My educational pursuits would not have been possible without your generous donation. Thank you for your continued support and investment in my future.

Sincerely,

Kritika Dave KritikaD

## GUEST SPEAKER

Tonight's guest speaker was Tom Steer from Holland America who talked about what's been happening and possible future cruise with their ships. Some of the adaptations they are looking at are selling off four of their older ships and looking at ships that will carry fewer passengers. As part of their planning they are considering how to clear then clean each ship before new passengers can board.
