## SIGNS SIGNS EVERYWHERE THERE'S SIGNS

Oh, that's why ...

The Sheriff was busy again tonight. Did you know that on a typewriter the longest word you could spell with your left hand is "stewardesses", "lollipop" with your right hand and "typewriter" on a single row?

Sheriff on July 28<sup>th</sup> will be Mike.

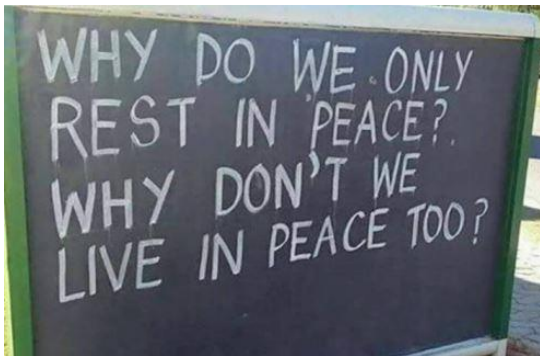

## Foundation -

THE WRITTEN OBJECTIVE FOR THE ROTARY FOUNDATION as agreed upon by 1945-1946 board and trustees

From the 1946 Manual of Procedure

1. Rotary Foundation Fellowships for Advanced Study.
2. The extension of Institutes of International Understanding in countries where they have not been developed.
3. The fostering of any tangible and effective projects which have as their purpose the furthering of better understanding and friendly relations between the peoples of different nations, such as: assisting Rotary clubs in obtaining speakers who can discuss with authority world agencies organized within the United Nations Organization.
4. The providing of emergency relief for Rotarians and their families wherever war or other disaster has brought general destitution and suffering.

The Rotary Foundation continues to do "good work" today!

## Other Activities -

**Bottle Sale** - at the Independ Store in the Capri mall September 17 and 18<sup>th</sup>. To be set up by Jack. Main theme will be Peace Day which is on September 21<sup>st</sup>. It was also suggested that the weekend before Halloween would be another opportunity to sell bottles.

**Caribbean Night** - a fundraiser for Rotarians, spouses, and friends. Possible date is October 22<sup>nd</sup>. The first stages of organizing are underway.

**Socials** - The board decided to start socials again. Bob and Chris have offered to host a get together while Art and Glenna will organize a housewarming social. Both dates are still to be determined.

**Guess Who is Coming for Dinner** -needs to be set up with the Rotary Mission Club. Art is providing the leadership to get this organized.

**Tech Soup** – Peter has been in contact with this organization to obtain a ZOOM account which is cheaper through them.

**Richard White** – Richard is doing well but would like the occasional call from club members.

## THIS WEEK'S REGULAR MEETING

The club meeting begins Thursday, July 28<sup>th</sup> at 6:00 pm at Yanni's Grill.

Prior to the meeting we have social time beginning at 5.30 pm.

## HUMOUR

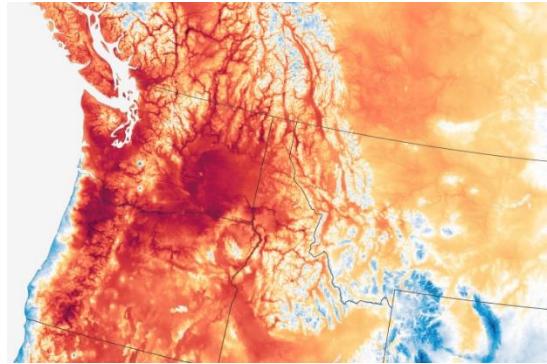

## GUEST SPEAKER

Past District Governor Bruce Falkins was our guest speaker this evening. Bruce has been a longtime Rotarian and when he retired in 2019, he and his wife Donna set off in their new RV on a trip of a lifetime. While in enroute to see friends in Colorado, Bruce and Donna were rear-ended by an 18-wheel truck. The RV was destroyed, and both suffered extensive injuries that required a prolonged hospital stay. Bruce spoke of the accident and the support, emotional and financial, that he received from Rotarians in Denver, Kelowna and elsewhere. It is an emotional story you need to see.

## GALLERY

*Astonishing heat obliterates all-time records across the Pacific Northwest*

*British Columbia has seen 486 sudden and unexpected deaths. This number is 321 more than what is usually expected in B.C. over a period of five days, according to provincial coroner's office*
