WEEK'S ZOOM MEETING

The meeting on June 30th was the last meeting of the 2021-2022 Rotary Year. Next week I'm going to have to make some wholesale changes to the newsletter to reflect the new year.

The Sheriff this evening was John Mullock who chose to honour Canada Day by explaining where each province and territory derived its name. Deemed an interesting and informative event, the attending members readily paid the maximum fine, John also needs more volunteers for Sheriff but until then is prepared to keep picking members pockets.

GUEST SPEAKER

Mike Greer

Photo by Peter Spek

Our guest speaker this week was Mike Greer from Elevation Outdoors. Elevation Outdoors is a community supported program designed to enhance the lives of local youth. Through guided participation in outdoor pursuits, young people are exposed to challenging physical activities while gaining life skills. The

program is designed to mentor vulnerable youth and steer them out of harm's way into a life of good health, productivity, and fulfilment.

It was very interesting presentation and I recommend you visit their website to get the complete picture.
