Foundation Moment -

Introduction

Over the next year, I will be sharing a short weekly message about The Rotary Foundation, its programs and the need for your support. Today, I have a quote from Paulo Costa, Past President of Rotary International in 1990-1991. "Rotary International's masterpiece is The Rotary Foundation. It transforms our dreams into splendid realities . . . it is the most generous expression of Rotarian generosity - a generosity that not only brings benefits but also brings help and cooperation to solve the problems that affect mankind. The Rotary Foundation achieves the best that mankind can possibly achieve."

Thank you for supporting The Rotary Foundation and its work.
