Foundation Moment -

The Programs of The Rotary Foundation -

The Rotary Foundation's founder Arch C Klumph said: "The Rotary Foundation is not to build monuments of brick and stone. If we work upon marble, it will perish; if we work on brass, time will efface it....but if we work upon immortal minds, if we imbue them with the full meaning of the spirit of Rotary, we are engraving on those tablets something that will brighten all eternity. "

The educational, humanitarian and PolioPlus Programs are the monuments of The Rotary Foundation and Rotarians should be proud to yell it from the roof tops. We will eradicate polio, hunger and poverty. We will help the world find peace. By supporting The Rotary Foundation with an annual gift, you help build these immortal monuments of Rotary.

Will you help us make a difference?

Zone 5/6 Cluster Group – Lockie and Jack made a presentation on our Beacon of Peace Project. They requested financial support from the nine Rotary Clubs in our area. The response was at best lukewarm but as Jack put it "Never, ever, ever give up".

GUEST SPEAKER

This evening's speaker was Carmen Rempel, the Executive Director for the Kelowna Gospel Mission (KGM).

The KGM has changed quite a bit over the last few years especially during the Covid-19 period. They no longer accept walk-ins off the street and have found that this change to a regular nighttime clientele has brought on increased stability. To cover those still out on the streets of Kelowna, they now have food truck to feed the needy. A significant change has been to their dental program which now handles about two thousand patients per year. In addition, they provide homes for men, women and children who often are surviving below the poverty line. Despite the changing times they have remained true to the mission of Kelowna's Gospel Mission.

"Kelowna's Gospel Mission will feed the hungry, shelter the homeless and help the hurting. We will provide assistance to all. We will minister to the whole person, spirit, soul and body by sharing Jesus with a servant's heart."

Carmen's presentation was very interesting and energetic even through the question period. I encourage you to look at the Zoom meeting mentioned earlier.
