Foundation Moment - Continuing the Mission

Our Rotary year is almost over, but the continuing mission of The Rotary Foundation never ends. The programs of the Rotary Foundation are for present and future needs – educational programs, medical assistance programs, community assistance and development programs, and various self-help programs – all to improve the lives of the people of the world. Please remember that the need for The Rotary Foundation’s programs never ends and the need for your financial support and participation never ends.

This literally made me

That is not bacon, Karen. That is a Beggin Strip. I
can sniff out cocaine in a hooker's buttcrack from
across an airport. Do you really think that I can't
tell fake bacon from the real thing?

INSTALLATION NIGHT

June 23 was Installation Night for the Rotary Club of Kelowna Capri. Past District Governor Peter Schultz accompanied by Assistant Governor Bill Hawkins, was there to induct the new president and her executive. It was a brief but solemn ceremony. Following this were the short speeches from the Outgoing President Ron Becker and the Incoming President Carola Spek.

The incoming Rotary Year 2021-2022 remains a mystery at this moment. Will we be allowed to get together again? Has Covid-19 fired its last shot? We need to acquire new members, is there a warehouse somewhere? Will I be able to drink beer with Ron Becker? So many uncertainties. All we can do is watch what happens and react to them. This is the Rotary way!
