## SIGNS SIGNS EVERYWHERE THERE'S SIGNS

The first rule of  
"Condescending Club" is  
really kinda complex  
and I don't think you'd  
understand it even if  
I explained it to you.

**East Kelowna Hall Project**— No update  
but I'm certain that work is progressing.

**Peace Satellite Club** - have moved their  
Zoom meetings to Tuesday evening at 7 pm  
so that members who work during the day  
can attend.

The following report was put together by  
Carola. No business was discussed. Jack  
asked each of us what is the *why* in our  
lives? Why do we do what we do?

To feed the youth and keep them safe.  
To leave a legacy of service.  
To give back to the community.  
To improve the environment.  
To spread positivity.  
Those were some answers of the group.

Jack mentioned some quotes.  
One is "The rich are arrogant and the poor  
are cynical".  
Jose also attended. He spoke at the big  
zoom conference. Here is a link to what he  
said

## GALLERY

Weather can set you up for the unexpected.

*One of the reasons you don't go walk-about in very strong winds*

*This is not a selfie-moment. They are in a very strong electric field and in real danger of a lightning strike.*

*Driving in heavy rain. Visibility diminished by rainfall and spray from other vehicles, especially trucks.*
